SIR RANULPH FIENNES – LIVING DANGEROUSLY

FRIDAY 22ND APRIL, 7.30PM
TICKETS £33.50
PRINCESS ALEXANDRA AUDITORIUM

Named by the Guinness Book of Records as 'the world's greatest living explorer', Sir Ranulph Fiennes has spent his life in pursuit of extreme adventure; inspiring generations and risking life and limb in some of the most ambitious private expeditions ever undertaken.

Amongst his many record-breaking achievements, he was the first to reach both Poles, the first to cross the Antarctic and Arctic Ocean, and the first to circumnavigate the world along its polar axis – his current goal is to become the first person in the world to cross both polar ice caps and climb the highest mountain on each of the seven continents.

Both light-hearted and strikingly poignant, Living Dangerously offers a personal journey through Sir Ranulph's life, spanning his early childhood and school misdemeanours, his army life, the Transglobe Expedition and his current Global Reach Challenge; making him a pioneer of exploration with an unparalleled story to tell.

TEN FEET TALL PRESENTS

SUSIE DENT PRESENTS: THE SECRET LIVES OF WORDS

SUNDAY 24TH APRIL, 7.30PM
TICKETS £23.50
PRINCESS ALEXANDRA AUDITORIUM

Take a journey into the curious, unexpected and downright surreal origins of the words we use every day. Susie will retell the adventures that lie hidden within such words as lasagne (involving a chamber pot) and bugbear (a terrorising monster), and explain such oddities as the silent h in ghost and the mysterious disappearance of kempt, gormful, and ruly (and yes, you really can be gruntled). She will look to the lexicon of the past to fill some of today's linguistic gaps – such as the frenzied fit of tidying we all do just as guests are about to descend (that's a scurryfunge).

Alongside such forgotten stories you will hear Susie's selection of the funniest moments from her 25 years on Countdown and 8 Out of 10 Cats Does Countdown, as well as some startling results from eavesdropping on a group of waiters.

Each evening will include some of Susie's favourite words from the towns and regions she visits, and she'll be asking the audience for theirs. In fact, she'll be welcoming any questions about word origins, usage irritations, the dreaded impact of Americanization, and the very future of our language in her very own 'word surgery'.

PROFESSOR ROBERT WINSTON - WHAT MAKES US HAPPY?

WEDNESDAY 4TH MAY, 7.30PM

ADULTS £19.00, CONCESSIONS £17.00 CHILDREN £11.00

PRINCESS ALEXANDRA AUDITORIUM

What led to French philosopher Michel de Montaigne thanking fortune for the pain he suffered? Or why did Mahler apparently stop composing after his meeting in Holland with Sigmund Freud? Why was Alfred J Prufrock in T S Eliot's poem so chronically depressed and suffering so much lack of self-esteem? Shall we ever really understand what makes us happy?

To some extent, the ability to be happy is inherited, but social scientists have emphasised that various environmental influences – health, a stable society, economic advantages, play a major role. Professor Winston examines the role of brain imaging, hormone study, sexuality, child development, pharmacology and psychological research in understanding how science may help us be happier. Happy people tend to live longer, and recent research suggests we tend to get happier as we get older. Is this simply because we become more forgetful? Can we make ourselves happier and if so, will knowledge of brain function and how we might manipulate it give us more fulfilled lives?

Zog, super keen student turned air-ambulance, still lands with a crash-bang-thump. Together with his Flying Doctor crew, Princess Pearl and Sir Gadabout, they tend to a sunburnt mermaid, a unicorn with one too many horns and a lion with the flu. However, Pearl's uncle, the King, has other ideas about whether princesses should be doctors, and she's soon locked up in the castle back in a crown and a silly frilly dress!

With a bit of help from some friends and half a pound of cheese, can Pearl make her uncle better and prove princesses can be doctors too?

Based on Julia Donaldson and Axel Scheffler's bestselling sequel, Freckle Productions (Zog, Stick Man, Tiddler & Other Terrific Tales, Tabby McTat) bring the creative team behind Zog, Emma Kilbey and Joe Stilgoe, back together for this truly modern take on the classic fairy tale.

SATURDAY 30TH JULY, 7.30PM

ADULTS £18, CONCESSIONS £16

PRINCESS ALEXANDRA AUDITORIUM

The lights soften, the mood settles. An audience waits for that first moment of sound. The Big Band is poised, relaxed, but with eyes anxious for the lead. And then, as if giving body to an echo, the murmured notes of 'Moonlight Serenade'… and the night, it seems, is suddenly full and timeless.

There are those who watch and listen who tap a shy finger to the melodies, others who follow with a silent foot-beat, still others who murmur softly through the lyrics, and those who simply permit a fleeting smile. But common to all are memories.

Recapture the sounds of a bygone era as the Nick Ross Orchestra presents 'an unmissable evening of music and song' – the Classic Big Band Sound of the 1940s & 50s.

PRINCESS ALEXANDRA AUDITORIUM

Macbeth by William Shakespeare, adapted by Chris Connaughton

"By the pricking of my thumbs, something wicked this way comes."

This all female, 3 hander version of the well-known (and very gruesome) Shakespeare classic will tour to theatres, community venues, village halls and schools this Autumn.

Adapted by writer and director Chris Connaughton and directed by NTC Artistic Director Louis Roberts, this will be a streamlined and very physical version of the original piece and performed in NTC's unique, fast paced and extremely physical style. The show will feature original music and will largely be told from the perspective of the witches. Exploring ideas of manipulation through the media and other external forces, the show will include all the grim, gory, and grisly elements that everyone loves and expects from the tale of Macbeth. Perfect for those not particularly familiar with Shakespeare's work and diehard fans alike.
