🎟 PRINCESS ALEXANDRA AUDITORIUM

The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm and elegance. Join us for a captivating evening, filled with dazzling performance and heartwarming moments, and allow our talented cast, crew and musicians to transport you to a magical realm where dreams come true.

Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's *Cinderella* was the most widely viewed programme in US TV history at the time. Its recreation in 1965 was also highly successful, and so was a second remake in 1997, which starred Whitney Houston as the Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, this romantic fairy tale still warms the hearts of children and adults alike.

Our production promises to captivate you with stunning sets, lavish costumes, and touches of modern flair that will leave you spellbound. The timeless story of *Cinderella*, with its universal themes of love, kindness, and the triumph of good over evil, is reimagined through the passion and energy of our dedicated students. Bring the whole family and be part of the enchantment; join us where dreams take centre stage!

This production is kindly sponsored by Active Chartered Financial Planners and Cleveland Land Services.
